

## **Our Mission (Wednesday)**

Again, welcome to this Christian Science church and our Wednesday evening testimony meeting. You, your family and friends are lovingly invited to join the members of this church as we come together to study and learn a little more each day of what it means to follow in Christ's footsteps. Our motive is to love and our mission, to heal.

The Sunday lesson sermons and readings on Wednesdays, include the writings of the Bible and Mary Baker Eddy's primary work, Science and Health with Key to the Scriptures. These two books are the pastor of this church and all Christian Science churches. If you are in need of a copy of the Bible, or would like to have a copy of Science and Health, please let an usher know.
