

Where Two or More Are Gathered

Again, good morning and welcome to this Christian Science church service.

Today you will hear readings from both the old and new testament of the Bible with its always relevant and timely message. You will also hear correlative passages from the Christian Science textbook, *Science and Health with Key to the Scriptures*, by Mary Baker Eddy. These two books, the Bible and *Science and Health*, are the pastor of our church and all Christian Science churches.

Jesus once said, "For where two or more are gathered together in my name, there am I in the midst of them". Today and each Sunday morning at 10:30 this congregation gather to worship and share in the healing presence of the Christ, Truth. We welcome you, your family and friends to join us.

On Sunday mornings, this church provides a Sunday school for those under the age of 20. And a children's room for infants and the very young is available on both Sunday morning and Wednesday evenings. Each Wednesday evening at 7:30 we gather for an information meeting where topical readings from our pastor are read, hymns are sung, and testimonies of gratitude for spiritual growth and healing are shared.

We also maintain a reading room near here where all are welcome to study, pray and find inspiration and healing. It is open 6 days a week. Copies of the weekly Bible lessons are available along with numerous Bible translations, the writings of Mary Baker Eddy and a variety of Christian Science periodicals including the internationally acclaimed, *Christian Science Monitor*. Check out our website at spiritualityabq.com for more information and inspiration.
