

## Healing the Foundation

Again, welcome!

Foundational to Christian Science is the imperative command from the Bible, “Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give.” The disciples were sent forth to preach and to heal; to share “the good news” and to demonstrate the healing power of the Christ, Truth they had been taught by their beloved teacher, Jesus. Today this message of healing and regeneration can be heard and experienced every Sunday morning and Wednesday evening in this Christian Science Church. We invite you, your family and friends, to join us as we come together to celebrate the “good news”; to find inspiration and answers to life’s harder questions; and to be healed.

You will find detailed information about all the activities and support for the study and practice of Christian Science that this church provides including our Sunday school, testimonial meetings, reading room, and much more, by speaking with an usher following this service, reading the bulletin board at the West end of the foyer, or checking out our website at [spiritualityabq.com](http://spiritualityabq.com).
