

Again, welcome to this healing service. May your presence here tonight bring you inspiration, comfort, and a sense of belonging to something tangibly worthwhile and good.

The timeless message of the Bible and Science and Health with Key to the Scriptures by Mary Baker Eddy is the pastor of this church and all Christian Science churches. All seekers of Truth are welcome to gain practical support and spiritual understanding from the study of these two books through the Christian Science Weekly Bible Lesson. If you like what you hear this morning and want a copy of future weekly bible lessons, they can be found in our Christian Science Reading Room just south of Central on Richmond SE. There you will also find numerous translations of the Bible, study aides, and other periodicals. The librarian and attendants are available to assist and answer any questions you may have.

If you are new to Christian Science, new to this church, or simply traveling through, more information regarding the many avenues for spiritual growth that this church provides may be found on our website at [spiritualityabq.com](http://spiritualityabq.com). And please feel free to ask an usher if you have questions regarding any of the details I am sharing through these announcements.

Most importantly we hope you will stay around following the service, because we'd like to meet you!
