

Again, welcome to this Christian Science Sunday morning worship service where Christ's ministry of love and healing are the foundation of our message. You will soon hear readings from the Bible with its timeless and ever applicable promise of all good; and from Science and Health with Key to the Scriptures by Mary Baker Eddy. These two books uncover and enlighten us to the ever-operative Truth of the ages. The Truth voiced and practiced by the Master, Christ Jesus, and rediscovered in its spiritual light by Eddy. Copies of both the Bible and Science and Health are available in the foyer.

This church, one of many Christian Science branch churches throughout the world, holds a weekly Wednesday evening testimony meeting at 7:30 pm. We also have a reading room near here, where all are welcome to read, borrow or purchase various translations of the Bible and Science and Health, along with study aides and other periodicals.

We have a Sunday school for those up to the age of 20 and a children's room for little ones on both Sunday morning and Wednesday evening. You can find more information about the many avenues for spiritual growth that this church provides by speaking with an usher after this meeting, checking out the bulletin board out front, or by visiting our website at spiritualityabq.com. And if you are visiting this evening or are new to this Science, please stay around after the meeting. We want to meet you!
