

Are you a seeker of Truth? Do you look for spiritual meaning and present relevance in the stories of the Bible, the actions of the prophets, of Jesus and his Disciples? Is the activity of “church”, for you, a daily, even hourly yearning to get closer to the all in All?

The members of this church want to take this opportunity to personally welcome you, and encourage you to become part of our family. Our Sunday worship service at 10:30 AM, includes a Sunday school for youth up to the age of 20 and a children’s room for infants and the very young.

The Pastor of this church and all Christian Science churches is comprised of the Bible, with its always timely and relevant message, and Science & Health with Key to the Scriptures by Mary Baker Eddy. In just a few minutes you will hear this week’s Bible Lesson from our Pastor. Each weekly lesson is available for all to read, study and ponder prior to hearing it from the desk on Sunday morning.

Each Wednesday evening at 7:30 there is an informal meeting where all are welcome. We sing hymns, listen to topically relevant readings from our Pastor, and share testimonies of healing and gratitude.

You will find our Reading Room in the nearby Nobhill area a quiet and peace-filled place to study. Available are the weekly Bible Lesson, numerous Bible translations, Science & Health, and other Christian Science periodicals. You can read these items there, borrow them from the lending library, or purchase a copy of your own. A librarian is available to assist you, to answer questions about Christian Science, and to provide prayerful support to all who enter.

For more information regarding the many activities for spiritual growth that this church provides to the Albuquerque community, please see our website at spiritualityabq.com, check out the bulletin board at the west end of the foyer, or visit with one of the ushers after the service.
