

This branch of the Mother Church in Boston, is part of the worldwide Christian Science movement. You are lovingly invited to attend our Sunday services, our Wednesday testimonial meetings and to come early on each Wednesday for an informal discussion of our healing activities. You are also invited to pray and study in our Reading Room, which is open six days a week and offers Bibles and Christian Science literature to read while there, borrow or buy. As appropriate, children and young adults are warmly welcomed in our Children's Room and Sunday School. You can find out more information about all these activities from an usher or on our website at spiritualityabq.com. The ushers can also help if you want to join this church, the Mother Church or both.

Every first Sunday add the Rule for Motives and Acts.
Try to select an MBE Hymn for even numbered Sun/Wed.
Every even number Wednesday add the section on Testimonials in the Manual.
